This meeting will be a hybrid of Zoom and in-person. The Mayor has signed a declaration allowing members of the council, staff, and the public to attend the meeting remotely via Zoom as has been done during the COVID-19 pandemic.

The council chambers will have limited seating, with audience chairs being set up at least six feet apart. There will be an overflow area where the meeting can be watched in the Cloverleaf Farms Room, also with chairs set up at least six feet apart. Please note that all visitors to city hall are required to wear a face mask while inside the building.

Public comments may be submitted prior to the meeting by sending an email to PublicComment@BlaineMN.gov or by calling 763-717-2782 no later than Noon on Tuesday, September 1. Public comment during the meeting will be taken both remotely via Zoom and in-person in the council chambers. Members of the public can join the Zoom webinar at, <https://blainemn.zoom.us/j/92701410144>.

The Traffic Commission is an advisory body to the City Council. The Commission's function is to review neighborhood traffic concerns on local streets, define issues, review alternatives and cost, hold neighborhood informational/public hearings and make recommendations to the City Council. For each item the Commission will receive reports prepared by City staff, hold neighborhood information hearings and take comment as needed and discuss and act on each issue/concern. The City Council will make all final decisions on these matters.
