4 New Business**4-1****APPROVING \$44,143 EXPENDITURE FROM THE
BLAINE EDA TO BLAINE LOCK AND SAFE FOR FIRE
SUPPRESSION INSTALLATION**

Economic Development Coordinator Thorvig stated Blaine Lock and Safe purchased the building at 10136 Sunset Ave in December, 2017. They purchased the building to relocate their business from their current location at 121st Ave. and Highway 65. The owners are remodeling the building which requires fire suppression. Due to lack of equity in the building because of low value, the business is having difficulty securing the necessary bank financing to complete both the building remodel and fire suppression. Staff proposed the option of financing the fire suppression through a combination of the fire suppression grant program and a special assessment. It was noted the total project cost to add the fire suppression system, based on bids obtained by the applicant is \$69,143. The fire suppression grant program would pay up to \$25,000 with the remaining \$44,143 financed through a special assessment. The special assessment has a 10-year term at 4.5% interest. The initial fire suppression cost would be paid from the EDA general fund, with the fund being paid back the assessed amount over the 10-year period with interest. Because the expenditure is over \$20,000, EDA approval is required.

President Ryan thanked staff for working with Blaine Lock and Safe on this matter.

Moved by Commissioner Swanson, seconded by Commissioner Hovland, that Resolution No. 18-16, "Approving \$44,143 Expenditure from the Blaine EDA to Blaine Lock and Safe for Fire Suppression Installation," be approved.

Motion adopted 4-0-1 (Commissioner Jeppson absent for vote).

 [Lease Agreement](#)

Economic Development Coordinator Thorvig stated on August 16, 2018, the EDA approved the purchase of 1409 105th Avenue. Closing occurred on August 29th, 2018. The building has an existing tenant, Specialty Welding, Inc. The business does small specialty welding jobs and boat skeg and propeller repair. The business has indicated they would like to continue to lease the building. Staff met with the business owner and inspected the property and is comfortable entering into a year

lease with the business. The general terms of the lease were reviewed with the EDA and staff recommended approval.

Moved by President Ryan, seconded by Commissioner Hovland, that Resolution No. 18-17, "Approval of Lease with Specialty Welding, Inc. at 1409 105th Avenue NE," be approved.

Motion adopted unanimously.

**MEMORANDUM OF UNDERSTANDING BETWEEN
ANOKA COUNTY, CONNEXUS ENERGY,
METRONORTH CHAMBER OF COMMERCE AND
PARTICIPATING MUNICIPALITIES OF ANOKA
COUNTY**

[Exh. A to Economic Development MOU](#)

Economic Development Coordinator Thorvig stated over the past two years a collaborative effort between Anoka County, Connexus Energy, Metro North Chamber, and Anoka County cities has occurred to encourage economic development in Anoka County. In December 2017 a study was completed by Ady Advantage for a market research analysis and evaluation of business opportunities, targets, and strategies for economic development within Anoka County. Since the completion of the study, several major tasks have been completed including hiring a dedicated economic development staff person by Anoka County, creating a brand and logo for Anoka County economic development, a webpage, and organization of three sub-committees to carry-out various tasks outlined in the study. The purpose of the memorandum of understanding (MOU) is to set a framework for involved organizations to further the goals of the economic development collaboration by: (a) outlining general objectives, (b) defining mutual responsibilities, and (c) setting goals, timelines, communication, and other details necessary to achieve the desired outcomes. The proposed MOU is effective for a period of five (5) years. Staff estimated the City's cost for this economic development program to be \$3,500.

Moved by President Ryan, seconded by Commissioner Hovland, that Resolution No. 18-18, "Memorandum of Understanding between Anoka County, Connexus Energy, MetroNorth Chamber of Commerce and Participating Municipalities of Anoka County," be approved.

Motion adopted unanimously.
